WARRANTY

All products have the guarantee of AVANZZA TRADERS INTERNATIONAL SL for a period of 3 years from the date of purchase, s/ the General Law for the Defense of Consumers and Users, with the exception of 1 YEAR* for batteries and chargers. battery. However, when the lack of conformity appears after 6 months, the consumer must prove that the defect existed from the beginning, and can only do so through independent expert reports. The warranty period begins on the date of purchase. The original purchase invoice, which includes the date and the name of the model, will be the proof that will allow you to prove the date, and it is essential to attach a copy. In this type of devices it is normal to suffer bumps and accidents that can leave an externally visible sequel to the accident that occurred. Also, failure to properly assemble and adjust the product before use may cause malfunction or even an accident. Before thinking that your product is defective, you must verify that you use it correctly and appropriately, and that you know the operating instructions. That is why it is essential to read and perfectly understand the instructions for use and assembly of the product.

Good adjustment and maintenance of the device are essential to avoid suffering a future breakdown.

The Official Technical Service in Spain for all brand products, FULMO is operated by THE OFFICIAL SAT OF AVANZZA TRADERS INTERNATIONAL. Once the customer detects a possible anomaly or failure of the product, they must contact the establishment where they purchased it to activate the incident. Repairs, whether under warranty or not, will be carried out by THE OFFICIAL SAT OF ATI, which will analyze possible product breakdowns in order to determine compliance with the warranty. If the product meets the warranty conditions, all expenses derived from repair and shipping will be free. If the product, once in our facilities and analyzed by qualified personnel, is determined to not meet the warranty conditions specified in the manual, a quote will be made that is valid for 30 days. If after this period we have no communication from From the client we understand that he rejects said quote. If it is accepted by the client, they must pay a quote, which includes shipping. If the client renounces the quote, they have two possibilities:

1. If you want to recover the product, you must pay the shipping costs.
2. If you do not wish to recover it, you authorize us to recycle the product.

Any FULMO product that has been altered, opened, manipulated or modified by personnel other than SAT OFFICIAL will automatically lose any type of guarantee. The establishment must send an email to SAT@AVANZZATRADERS.COM and will receive instructions on the procedure to follow.

If the client wishes to activate the guarantee by their own means, they must send an email to sat@avanzzatraders.com where the procedure to follow will be indicated.

This warranty covers the end user with normal use of the product and against manufacturing defects. Never for:

- Products that have been used for any function other than that originally intended (commercial use, rental, etc.).
- Items without original packaging or proof of purchase.
- Defects or damages due to incorrect use or manipulation of the material (such as electrical damage, overloads or poor power supply...).

-The wear and tear of consumables such as batteries, filters, membranes, etc., and aesthetic damage.

-Decreases in functionality (decrease in battery life, etc.) due to exceeding their design limitations (overloads, excessive use, inappropriate uses, etc.).

Sincerely, the FULMO team.
